Diagnostic Ultrasound:

The sun dipped below the horizon, casting a golden glow over the quiet town. A gentle breeze rustled the leaves of the old oak tree, while distant laughter echoed from a nearby café. A stray cat darted across the

Nerve Study:

EMG/NCV lower, EMG/NCV upper

Restrictions:

Avoid activity for: 10 week(s)

Lifting limit: 1 lbs

Avoid prolonged sitting: No

Other Notes:

The sun dipped below the horizon, casting a golden glow over the quiet town. A gentle breeze rustled the leaves of the old oak tree, while distant laughter echoed from a nearby café. A stray cat darted across the cobblestone street, its shadow stretching long in the fading light. Somewhere, a musician tuned their
